LB 511 would grant counties the authority to designate scenic river corridors. The fiscal impact would include:

State agency assistance: The bill authorizes state agencies to provide assistance to counties within their legal and fiscal limitations. It is not anticipated that there would be a significant fiscal impact.

County activities: Counties desiring to designate a scenic river corridor within their boundaries would be impacted by LB 511. The expenses to each county would vary by circumstance and cannot be predicted.

GAME AND PARKS COMMISSION: Concur.

DEPARTMENT-OF WATER RESOURCES: (2/4/91) - Concur.
