

Revenue Committee

CHAIRPERSON

Jerome Warner

The following constitute the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 269 incorporates many, clarifying and operational changes to the property tax package passed last year, namely LBs 1114, 1085, 299, and 1177. The changes proposed by this bill are those that are consistent with the thrust of the bills passed last year, and either clarify uncertainties or make compliance administratively easier.
