LB 347 has no fiscal impact on state agency expenditures. Section 22 eliminates the Nebraska Schools Accountability Commission Cash Fund and transfers the balance of the fund to the General Fund. The fund balance as of December 31, 1996 was approximately \$209. Assuming no additional expenditures from the Cash Fund in 1996-97, the transfer to the General Fund will be about \$215 on the effective date of the bill.
