FUND	EXPENDITURE	REVENUE
General	\$46,061	
Cash		
Federal		
Revolving		
TOTAL 1991 - 92	\$46,061	
TOTAL 1992 - 93	\$48,707	

LB 511, as amended, would authorize the Natural Resources Commission to designate as a protected stream all or a portion of any river or stream possessing certain characteristics. The Commission would incur additional expenses to carry out protective activities. The agency estimate of 1 FTE and operating expenses appears reasonable.
